- Discourage physical attendance at the Shareholders' Meeting. It is noted that physical assistance may be limited by health requirements that may affect access or location in the room provided for the meeting.

- Recommend to our shareholders that they delegate their vote with instructions or vote remotely and follow the Meeting by audiovisual means through the link that will be provided to shareholders, in accordance with the regime established in Royal Decree-Law 34/2020, of November 17, of urgent measures to support business solvency and the energy sector, and in tax matters, which provides for joint-stock companies to extend for the year 2021 the possibility of holding Telematic Annual Meetings despite not being foreseen in the Bylaws. In order to access the Meeting by telematic audiovisual means, shareholders must first contact the company at the email address of the board's secretariat (ramon.ruiztorre@martinezechevarria.com) at least 48 hours prior to the date of holding of the General Meeting and complete the procedures to attend remotely through the

appropriate prior registration and verification of identity and condition of shareholders.

- Also enable telematic attendance at the Shareholders' Meeting, allowing those shareholders and their representatives who so wish to attend and participate in the Shareholders' Meeting by remote connection and in real time.

In this case, shareholders will be informed by publishing a supplementary announcement to this call, with a minimum notice of two calendar days from the date of the same.
